

New Mexico Environment Department Notice of Open Application Cycle for Clean Water State Revolving Fund State Fiscal Year 2020 Funding.

The New Mexico Environment Department Construction Programs Bureau will accept applications for the Clean Water State Revolving Fund from March 1, 2019 through April 12, 2019. Eligible projects include but are not limited to: publicly-owned wastewater treatment plants (WWTP), collection systems, decentralized wastewater systems, nonpoint source projects, and energy efficiency, water conservation or security projects at publicly owned WWTPs. Eligible borrowers include: municipalities, counties, State Agencies, Water and Sanitation Districts, tribes and pueblos and Mutual Domestic Water Consumers Associations. Private borrowers may also be eligible for specific types of projects. Please check our website for more information. Information and applications can be accessed at <https://www.env.nm.gov/construction-programs/clean-water-state-revolving-fund-cwsrf/>.

For questions please call 505-827-2806; or email NMENV-cpinfo@state.nm.us.
