The City of Española is seeking to hire the following position:

Job Title: Water Operations Supervisor
Department: Utility Water
Reports To: Public Works Director
FLSA Status/Union: Exempt/Not Covered

Hiring Range:
\$60,320.00 to \$66,560.00

The Water Operations Supervisor is responsible for supervision, direction and administration of the City's Utility Water Department; plans, coordinates and schedules personnel, materials and equipment necessary to maintain the City's water system in compliance with federal and state regulations, and maintains all public areas in good safe working order and sound condition. Responsible for hiring and disciplinary recommendations. Ensures staffing levels including standby and callback schedules. Ensures compliance with EPA and/or NMED reporting requirements. Recommends improvements to overall system. Responsible for maintaining safe practices by staff. May assist with wastewater and other systems throughout the City and other related duties as assigned.

MINIMUM EDUCATION AND EXPERIENCE:

1. High School Diploma or GED equivalent plus seven (7) years related experience and/or training, or equivalent experience and certification;
2. Must have at minimum New Mexico Environment Department Utility Operator certification water level III;
3. Valid New Mexico driver's license CDL class B and must be insurable by City's vehicle insurance provider

The complete job description is available at the Human Resources Department.

To apply, submit a completed City of Espanola application to the HR Department. This position is open until filled. The first review of applications is expected to be August 1, 2022. For more information call HR Generalist Shannon Sandoval at (505) 747-6057 or HR Director Sally Baxter at (505) 747-6017.
