

JOB POSITION ANNOUNCEMENT

Internal and External applications will be accepted

The City of Española is seeking to hire the following position:

POSITION: WASTEWATER TREATMENT PLANT SUPERINTENDENT STATUS: FULL-TIME

POSITION SUMMARY:

Under general supervision of Public Works Director or designee, responsible for the management of all aspects of the City's wastewater program including the plant, the lab, and the collection system. Oversees process control, bio-solids handling, equipment maintenance, and performs related duties as required. Responsible for the administrative management and coordination of planning, scheduling, development and implementation of daily activities, duties, special events, and projects at the Wastewater Treatment Plant (WWTP); oversees work of department personnel. May supervise water department personnel in the absence of the Public Works Director as assigned. Position requires emergency callback at any time.

\$58,240.00 to \$66,560.00 annually plus excellent benefits

MINIMUM QUALIFICATIONS

1. High School Diploma or GED equivalent plus a Bachelor's degree (B.A.) in Operations Management, Business Management, or equivalent from four-year college or university; seven (7) years related experience and/or training; or equivalent combination of education and experience;
2. Must have State of New Mexico Wastewater Level IV operator certification/EPA certification as required for plant operations.
3. Valid New Mexico driver's License, CDL-B (minimum) and be insurable by City's vehicle insurance carrier.
